

Private Credit & Special Situations

Helping clients move the market and maximize value.

Our Private Credit & Special Situations group consists of over 100 finance and restructuring attorneys with deep experience representing private credit and debt funds, BDCs, special situations, opportunistic, distressed and dislocation funds, fulcrum lenders, equity-holders, hedge funds, CLOS and financial institutions through varied market cycles. We are one team delivering thoughtful solutions and essential information to clients at every stage of the lifecycle of a private credit investment. We empower our clients in the market by driving peer-to-peer engagement and discourse.

We are commercial, innovative and solution oriented. Partnering with our clients, we always take a forward-looking approach to market terms, monitoring industry trends to identify opportunities and anticipate rather than react. We offer clients our market insights and knowledge based on our multidisciplinary expertise, proprietary database, and strong industry relationships.
