

# National Security and Corporate Espionage

---

Our National Security and Corporate Espionage practice has unparalleled experience at the most senior levels of government and an unmatched understanding of the current cyber, espionage, and national security risk and regulatory landscape. We assist global clients in developing risk mitigation strategies related to their key assets, expanding into foreign markets, assessing major transactions, navigating the CFIUS process, addressing supply chain risks, meeting new government contracting requirements, minimizing the impact of security incidents and responding to regulatory actions, lawsuits and congressional inquiries.

To do so, we draw upon:

- more than 125 former senior U.S. government officials with decades of experience in national security legal positions at agencies, including the Federal Bureau of Investigation (FBI), the Central Intelligence Agency (CIA), the Office of the Director of National Intelligence (ODNI), the Office of the U.S. Trade Representative (USTR) and the U.S. Department of Justice (DOJ)
- recent FBI and executive branch perspective gained through the additions this fall of Zack Harmon, former Chief of Staff of the FBI; Dan Coats, former Director of National Intelligence and U.S. Senator; and Sumon Dantiki, former Senior Counselor to the FBI Director
- dedicated top-tier practices including Data, Privacy and Security; Special Matters and Government Investigations; Committee on Foreign Investment in the U.S. (CFIUS); Government Advocacy and Public Policy (GAPP); Intellectual Property and others to offer comprehensive solutions
- deep experience counseling clients through hundreds of incidents, including crisis communications and subsequent litigation, in connection with the
