

Fund Finance

Our Fund Finance practice comprises dedicated professionals who have been advising both lender and borrower clients across all asset classes since the inception of the fund finance market across all fund finance primary products including subscription credit and hybrid facilities, NAV financing, GP financing, executive programmes, back-leverage and hybrid preferred equity structures as well as distribution solutions, including structured note programmes and JV structures.

We offer clients unrivalled cross-border capabilities and experience with respect to the legal and commercial issues relevant to lenders and borrowers of these products. We pride ourselves on our ability to understand the dynamics of our clients' businesses and our ability to deliver practical, innovative and business-focussed solutions.

We are uniquely placed to advise on all aspects of fund finance, being the only law firm with a dedicated Fund Finance - Capital Solutions platform and specialist ESG fund finance expertise.
